FaithWeavers Bible Curriculum

The FaithWeaver's goal is to weave faith in Jesus Christ into all the areas of learner's lives. The lessons encourage people to focus on the most important thing in life: a growing relationship with Jesus. Learner's experience:

- ❖ *Solid Bible learning*
through activities that develop Christian values and character.
- ❖ *God's love*
in fun and creative ways that are age appropriate.
- ❖ *Positive relationships*
in an interactive learning environment.

❖ *Continued learning at home*
with tools that get the whole family talking.

The FaithWeaver lessons this year, 2012-2013, are from the second year of the three-year cycle of stories.

This fall, 2012, the lessons cover the major stories of Exodus (Crossing of the Red Sea through Joshua and the battle at Jericho) in the winter/spring the lessons are about the life of Jesus from his birth through his earthly ministry. The lessons in late spring come from the Acts and the early church and then follow in the summer, 2013, with lessons from the Old Testament (Samson, Ruth, Saul, David and Jonathan).
